# Little About

TOPCertifier, (a division of Veave Technologies) is a consulting firm providing Business Advisory, Training, Process Consultation and Certification services. We operate in over 40 countries and have more than 150 consultants and auditors servicing our clients around the world.

We have successfully executed over 5000 projects. Our consultants and auditors come from many different backgrounds and are united by a set of shared values. They deliver certification, with simple documentation and minimal efforts from our customers.

We focus on practices which could increase your bottom-line than just sticking to standard guidelines. All our customers have reported increase in sales, brand recognition, employee retention and as a result increased profits due to our certification services.

We handle end-to-end turnkey projects. From advising what certifications would give you maximum return on investments, which certification body to choose, gap analysis, documentation, training, internal audits and organize external audits. We are your one-stop solution provider.
